<b>Additional Info</b>		
We are in a newly refurbished building attached to Upper Horfield Primary School. Our building opened in September 2008. We now offer a full range of services and sessions for children aged 0 – 5 years. We offer the highest quality provision for all children and parents. All our staff are highly qualified and share a caring and committed ethos where all children and families are highly valued. We have already organised a range of groups to support the need in the community but are always willing to look at new ideas.		
<b>Jobcentre Plus –</b> Jobcentre Plus offers a range of support and services to help people into work. We also help employers fill their vacancies and give people of working age the support they are entitled to if they cannot work.
